RESOLUTION NO. 018-11 OPPOSING THE APPLICATION TO TEXAS DEPARTMENT OF TRANSPORTATION BY TEXCOM GULF DISPOSAL, LLC FOR A DRIVEWAY PERMIT ALONG FM 3083 IN MONTGOMERY COUNTY, TEXAS

WHEREAS, TexCom Gulf Disposal, LLC (TexCom) has made application to the Texas Department of Transportation, Montgomery County Area Office, for a driveway permit along FM 3083 in Montgomery County, Texas; and,

WHEREAS, TexCom has requested said driveway permit in order to facilitate access to TexCom's proposed underground injection waste disposal facility; and,

WHEREAS, Montgomery County, Texas continues to adamantly oppose the proposed TexCom underground injection waste disposal facility through active litigation in state district court in Travis County, Texas; and,

WHEREAS, the Board of Directors of The Woodlands Township supports the opposition of Montgomery County to the TexCom project and believes that the TexCom project presents a serious threat to the critical underground water supplies of Montgomery County and that granting of the requested driveway permit by the Texas Department of Transportation to TexCom is contrary to the public interest of the citizens of Montgomery County, because said project and driveway would result in a substantial increase in heavy industrial truck traffic along FM 3083 that will be detrimental to traffic safety on the road; Now, therefore,

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE WOODLANDS TOWNSHIP:

That the Township hereby opposes the application of TexCom for a driveway permit on FM 3083 and requests that said permit be denied by the Texas Department of Transportation.
