The Woodlands, TX

MEMORANDUM

June 8, 2012

The Woodlands Township requires that applications for improvements must have a signed Waiver and Release of Liability form. The form must be signed by the owner of the property for which an application is being processed.

Applications without the Waiver and Release of Liability form will be accepted and processed through July 2, 2012. However, The Woodlands Township will hold the permit and the paperwork will not be released until a completed Release Form has been signed by the property owner and returned to our office.

Effective July 2, 2012: The Woodlands Township Covenant Administration Department will only accept applications that are complete, including but not limited to a signed Waiver and Release of Liability Form.
