

10 for Texas Cheer Contest 2012

Think you have to be a runner to compete in the 10 for Texas Race? Not so. Get in on the competition by participating in the 2012 Cheer Contest!

How to Start

1. Form a Cheer Zone crew! Gather a group of neighbors, friends or co-workers. This is a great event for clubs or service organizations!
2. Choose a cheer zone or hydration station for your group to represent.
3. Come up with a theme, play instruments, wave flags, crank up a stereo, wear costumes – anything to get the athletes pumped up!
4. Show up on race day and have fun!

Your Group Could Be a Winner!

Your cheer zone could win a free pool party at one of The Woodlands pools for the 2013 season, not to mention bragging rights and a trophy for your group!

Cheer zones will be judged by the competing athletes. After the race, athletes will be sent a survey with each cheer location and their themes. The cheer zone with the most votes by Friday, October 19, 2012, will be declared the winner! An e-mail will be sent announcing the winner and listed on The Woodlands Townships Web site.

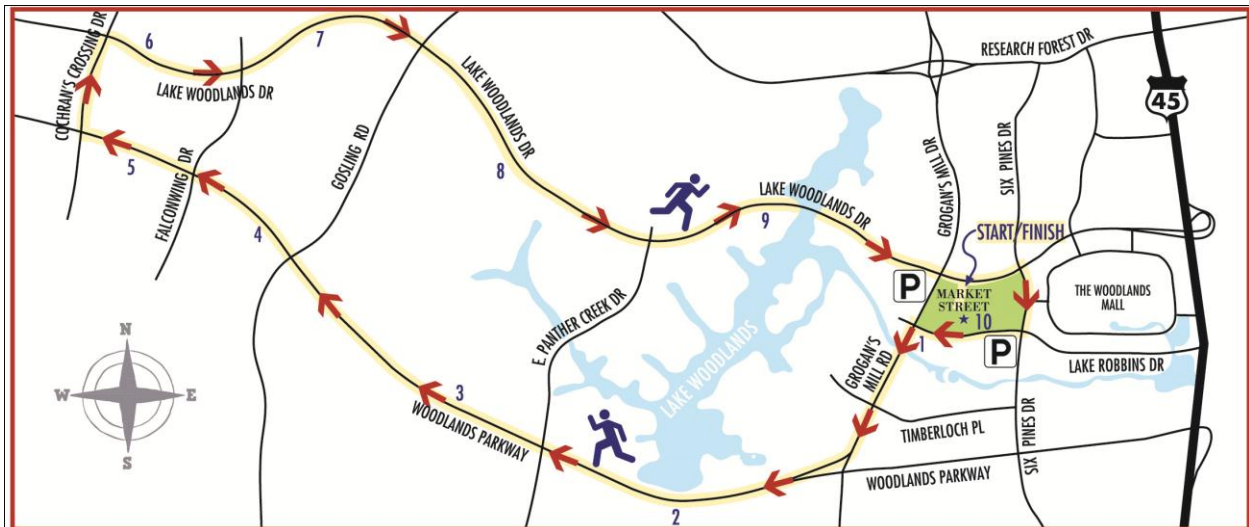

**Offer excludes the Rob Fleming Aquatic Center; Pool chosen is subject to availability and regular reservation schedules.*
