

THE WOODLANDS TOWNSHIP

The Woodlands, TX

21 June 2011

State Law requires home owners to obtain a Customer Service Inspection from the Woodlands Joint Powers Agency (WJPA) for all improvements which incorporate water lines/usage. Examples include, but are not limited to, pools, bathroom additions, spas, ponds, summer kitchens with water lines, etc. Owners and their contractors are advised to visit the MUD Building (address shown below) to arrange for this inspection.

Please be advised, effective August 1, 2011, The Woodlands Township will require all applications which involve an inspection from The Woodlands Joint Powers Agency to obtain a receipt from the MUD office and submit it with their application to The Woodlands Township. The Woodlands Township will not accept applications without the receipt from the WJPA. This property applies to all properties in Montgomery County (The Villages of Grogan's Mill, Panther Creek, Cochran's Crossing, Indian Springs, Alden Bridge, Sterling Ridge and College Park). This excludes May Valley Sections 88, 91, 92, 93, 95 and 96 and the Village of Creekside Park in Harris County.

Effective Immediately, The Woodlands Township considers this inspection to be a condition of approval and the owner's Compliance Deposit will not be refunded until this condition has been met.
