

# Commute with Confidence: A Special Edition Brown Bag Webinar

May 21, 2020  
12-1 PM

Click [HERE](#) to register.

A commuter's return to work begins as soon as they step outside the door. Join Greater Houston's transit and vanpool providers and the Commute Solutions team for a panel discussion on the status of commuter transportation in the region. Learn what transportation providers are doing to make the journey safer and what commuters can do to help keep themselves safe in their plan for a return to work.

This session is sponsored jointly by Houston BCycle, Connect Transit, Conroe Connection, Fort Bend Transit, Harris County Transit, Houston-Galveston Area Council, Island Transit, Metropolitan Transit Authority of Harris County (METRO), and Woodlands Transit.
