**Township to host Healthy Lawns and Waterways webinar**

THE WOODLANDS, TEXAS (September 15, 2020) – The Woodlands Township will host a free webinar on Saturday, October 3, 2020, entitled “Smarter Choices Webinar 2020: Healthy Landscapes, Healthy Waterways.” The event will be held from 8 a.m. to noon via videoconference.

The Woodlands Township Environmental Services Department presents this webinar to assist residents in learning lawn care practices that save water and keep local waterways cleaner. Texas A&M soil scientists present topics that include soil health, irrigation best practices, reducing chemical use and using native plants. By attending this webinar, you receive a free soil testing kit. Instructions about how to obtain the test kit will be sent to all registrants.

Register by September 28, 2020, to receive an invitation to join the event. Make the smart choice. [Register](https://www.thewoodlandstowship-tx.gov/environment) online now at [www.thewoodlandstowship-tx.gov/environment](https://www.thewoodlandstowship-tx.gov/environment) then watch for a follow-up email with instructions on how to access the webinar! For more information about The Woodlands Township Environmental Services Department, please call 281-210-3800, email [enviro@thewoodlandstowship-tx.gov](mailto:enviro@thewoodlandstowship-tx.gov), or visit [www.thewoodlandstowship-tx.gov](https://www.thewoodlandstowship-tx.gov).
