**Waste collection services to resume Wednesday, February 17, 2021**

THE WOODLANDS, TEXAS (February 16, 2021) – Collection service has been suspended Monday February 15 and Tuesday, February 16, 2021, in response to the hazardous road conditions resulting from the winter weather. Waste Management plans to recover routes beginning Wednesday, February 17, 2021, if road conditions allow.

Collection service will be delayed by two days throughout the rest of the week. Those communities who normally receive collection service on Monday should anticipate collection service on Wednesday. Tuesday customers will receive collection service on Thursday and so on.
