**Township's Sterling Ridge Park and Ride to re-open Tuesday, June 1, 2021**

THE WOODLANDS, TEXAS (May 28, 2021) – The Woodlands Township will restore service for The Woodlands Express from the Sterling Ridge Park and Ride location at 8001 McBeth Way beginning Tuesday, June 1, 2021.

Service from the Sterling Ridge Park and Ride will include Downtown Houston, the Texas Medical Center, and Greenway Plaza locations. The complete schedule for the Sterling Ridge Park and Ride location is [available here](#).

Reduced service from the Research Forest and Sawdust Park and Ride will also continue.

Due to federal mandate from the Transportation Safety Administration, all individuals are required to wear a mask while riding public transportation systems. This requirement will remain in effect until September 13, 2021. To ensure reliability and availability of service as riders return to the office, all social distancing measures onboard will be lifted starting June 1, 2021.

Passengers are also encouraged to download and use the mobile ticketing app to limit person-to-person contact. The app allows riders to purchase tickets on their smartphones anytime, anywhere and then display them on screen when boarding the bus. The app is available for download from both the Apple App Store and Google Play. More information about Mobile Ticketing can be found on the [Township website](#).

All riders of The Woodlands Express are encouraged to follow the [Transit Twitter](#) for alerts and updates. For schedules, route maps and ticketing information, please visit [www.woodlandstransit.com](http://www.woodlandstransit.com) or call 281-210-3800.
