Township launches Project 365 Initiative to help deter crime in The Woodlands

THE WOODLANDS, TEXAS (January 10, 2022) – The Woodlands Township Neighborhood Services Department is announcing Project 365, a unique component to the National Night Out Campaign. Working together with the Montgomery County Sheriff's Office Crime Prevention Unit and the Harris County Constable's Office Precinct 4, the project's goal is to designate a particular crime or safety related problem in our community that when removed, will help to make The Woodlands one of the safest places to live in the country.

The Project 365 initiative for 2023 is Identity Theft/Scam prevention. Identity theft occurs when someone uses your personal information, like your name, Social Security number, or credit card number without your permission, to commit fraud or other crimes. A scam is a deceptive scheme or trick used to cheat someone out of something, especially money.

- Join the Township Neighborhood Services Department at upcoming events throughout the year to better help you from becoming a victim of Identity Theft and learn the signs and warnings of scams.
- Host a Safety Awareness Day in your neighborhood to receive information on protecting yourself from identity theft and more.
- Enjoy fun giveaways!
