Township's National Night Out campaign wins national award

THE WOODLANDS, TEXAS (February 23, 2023) – The Woodlands Township earned second place in Category #2 for Populations 100,000 to 300,000 from The National Association of Town Watch for its 2022 National Night Out Campaign.

The campaign, produced by The Woodlands Township Neighborhood Services Department, earned top honors through its creative programming and participation of Township residents and public safety agencies.

“We are fortunate to live in a community so solidly focused on safety,” said Township Chairman Dr. Ann K Snyder. “When neighbors get to know each other through our National Night Out program, it makes us a safer community, and for that we credit our employees, our public safety partners, our residents and our businesses who participated in numerous National Night Out events.”

The Woodlands Township Neighborhood Services team supports National Night Out by helping residents to host National Night Out events and a variety of public safety open houses, along with providing ongoing resources about safety for the community.

The Township thanks the many team members of the community who contributed to this year's honor, including the Montgomery County Sheriff's Office, Harris County Constable's Office - Precinct 4, Montgomery County Constable's Office, Precinct 3, Texas Department of Public Safety-Highway Patrol, Montgomery County Hospital District-EMS, Alpha & Omega Mounted Patrol and The Woodlands Fire Department.

For more than 30 years, The Woodlands Township Neighborhood Watch has provided award-winning crime prevention programming to all neighborhoods in The Woodlands.
