**The Woodlands Township hosts Fired Up Tours to celebrate public safety partnerships**

THE WOODLANDS, TEXAS (May 2, 2023) – The Woodlands Township Neighborhood Services will host a series of Fired Up Tours this summer at each of the eight fire stations to give residents a chance to experience the lights and sirens of public safety equipment.

Attendees will get a behind-the-scenes look at the fire apparatus, rescue units and the fire station where it all happens. This event is both entertaining and educational for all ages. It is a great opportunity for children to learn about fire safety and meet the firefighters who serve the community.

In addition, law enforcement personnel from the Montgomery County Sheriff’s Office Crime Prevention Unit or Harris County Constable’s Office Precinct 4 will also be present to join in the fun and help educate the community. Children of all ages are welcome to visit with deputies and explore a patrol vehicle.
