Devon Jorden reminded Randy Scott and the committee members that if they ever see any trees being removed that look suspicious to please be sure to give us a call and we will immediately act by performing a cease and desist if we don't have a record of a permit on file for the removal. Devon Jorden also mentioned that staff was unable to do the research involving the past and present issue of cars parking in the street right-of-way on Rush Haven Drive, and that this information will be completed for the next RDRC meeting in October.
