G. Committee Member Comments

Ted Stanley asked whether staff will consider a procedure change regarding the reporting of Committee Action on Exhibit A. He would like to see "Disapproved with Recommendation" instead of just "Disapproved" in that column. Pam Forde commented that she would discuss this with the DSC Manager and report back to the committee at the next meeting.

Barbara Jarvis mentioned that there have been several accidents at the intersection of Research Forest Drive and Grogan's Mill Road. She noted that the stop light timing and location may contribute to the issue, and asked if staff knows who to call to report the problem. Pam Forde said that she will research and get back to Barbara with contact information.

H. Staff Comments

Janet Loll asked the Committee members for their availability for the August 1, 2013 meeting. All commented that they should be able to attend the meeting.
