Fourth of July festivities to proceed as scheduled in The Woodlands

THE WOODLANDS, TEXAS (July 4, 2018) – As of 11 a.m. on July 4, 2018, The Woodlands Township Fourth of July events will continued as scheduled, despite the cancellation of the South County Fourth of July Parade due to weather. Township officials are monitoring the weather and will announce any delays or cancellations as needed.

Live entertainment and activities will be held at five locations in The Woodlands on Wednesday, July 4, 2018, from 6 to 10 p.m. Fireworks will be launched in four locations and begin approximately at 9:30 p.m. The fireworks displays will be choreographed to a patriotic soundtrack broadcast on Woodlands Hits. Event-goers and spectators are encouraged to download the free Woodlands Hits app to experience both the sights and sounds of the Fireworks Extravaganza. It can be found by searching “Woodlands Hits” in the App Store or on Google Play.

Please view the [fireworks launch locations and parking map](#) to identify designated parking areas for each event site. To ensure spectators have the best fireworks visibility possible, fireworks teaser shots will be fired from all launch locations at 9, 9:10 and 9:20 p.m.

In the event of delays or cancellations, event staff is closely monitoring the weather forecast for all Township-produced activities taking place on the Fourth of July. Splash Day and the 21st Annual Red, Hot & Blue Festival & Fireworks Extravaganza will proceed as scheduled, unless otherwise announced. Weather-related changes and other event details will be announced in multiple places:
