Calls for Service Report

The Activity Report - *Calls for Service* has also been revised to allow for the accurate recording of call types between the Montgomery County Sheriff's Office and the Harris County Constable's Office — Precinct 4 agencies providing service to The Woodlands Township, who utilize different Records Management Systems (RMS). *Calls for Service* are the initial notation made when a request (call) is made to the dispatcher/communications division. This reflects the "call load" to which deputies respond, but it is not necessarily indicative of the outcome of an officer's review or investigation. In this report, the "All Other Calls" would represent calls for service that have not already been captured in the report. This call type would include Lost Property, Court Calls, Warrant Service, Parking Violations, Administrative/Training, Report Writing Calls, Follow-up Investigations, and Miscellaneous Calls, and the like.

Frequently Asked Questions

- *Do call titles equal crimes committed?* No. Call Titles speak to the types of calls that are received, but an officer may make an alternate or additional finding upon review/investigation.
- *Do Criminal Statute Reports equal arrests?* No. Criminal Statute Reports indicate that an officer believes criminal activity has occurred. Depending on the situation, additional investigation may add to or negate criminal charges.
- *What is the role of the community in “Community Policing?”* To answer that question you must have knowledge of the most basic Crime Prevention teachings and the “Crime Triangle.” The Crime Triangle identifies three elements that must be present in order for crime to be committed.
 - *Desire* of a criminal to commit a crime;
 - *Ability* to commit the crime; and the
 - *Opportunity* for the crime to be committed

Fortunately, you (residents - businesses) have control over one of the elements of the Crime Triangle - *Opportunity*. By removing the opportunity for crime to occur you can break the Crime Triangle and contribute to the Community Policing effort here in The Woodlands.

- *Where can I find the full report?* This executive summary accompanied by a full appendix of reports of the Township’s contracted law enforcement services can be found on the Township website at www.thewoodlandstownship-tx.gov, go to “Law Enforcement Services” at the bottom go to “Community Policing Reports”.

Investigation of Crimes Against Children:

The Township contracts with MCSO and Montgomery County Constable’s Office - Precinct 3 for services specific to investigations of crimes against children. Both agencies receive referrals from Child Protective Services (CPS) routed to Safe Harbor. In addition to the Safe Harbor program, the Township contracts with Montgomery County Constable’s Office - Precinct 3 for an Internet Crimes Investigator position. It is understood that some cases may originate or conclude outside of the Township boundaries. The “Cases Assigned—MCSO” includes data only for cases assigned within the Township boundaries, not cases that may be assigned outside of the boundaries. The numbers in this section are not cumulative, as some cases carry over from month to month.

ABOUT THE TOWNSHIP'S LAW ENFORCEMENT SERVICES

The Woodlands Township is a special purpose district providing municipal types of services to The Woodlands community. By law, The Woodlands Township cannot directly employ law enforcement officers; however, the Township contracts for supplemental law enforcement services in Montgomery County through a contract with the Montgomery County Sheriff's Office and in Harris County through a contract with Harris County Constable's Office, Precinct 4. The counties provide community policing services in eight residential zones and the tourism-oriented zone located in Town Center. All zones have full-time deputies providing 24/7 coverage. The Township also contracts with the Montgomery County Constable's Office, Precinct 3 for investigators specifically assigned to investigate crimes against children.

In addition to the Township's county contracted community-policing deputies, the counties also provide services as needed in the detective operation, administrative support, special services, SWAT team, training, recruitment, traffic control, identification – crime lab, communications, sex offender division, fleet operations, jail division, auto theft and other areas through the county tax levy.
