

The Water-Wise Village Challenge

Pledge to turn off your sprinkler system for the winter.

Pledging is easy!

- **The Challenge duration is from October 15 to April 15 each winter.**
- **Beginning in August** each year, your pledge may be submitted [online](#).
Or find more information about Water Conservation at:
thewoodlandstownship-tx.gov/environment

OR

in person at The Woodlands Township Environmental Services Department
8203 Millennium Forest Drive, 77381

OR

in person at Environmental Services ***events*** such as Woodlands Landscaping Solutions, 3R Bazaar, or other local activities

OR

Pledges can be submitted to your participating Village Association.

It's a good idea

- Once you pledge, your village earns a contest point!* Villages with the most points receive cash awards for their scholarship funds from program sponsors.

****One point per household.***

AND...

Warm weather turf grasses, particularly St. Augustine, naturally go dormant during winter months and use all available energy to grow and strengthen the root system. Allowing grass to brown during the cool months results in healthier lawns with less disease in the spring.

You'll help your Village and your grass while you save water over the winter!

Your village could be a Water-Wise winner!

Watch for the annual start of the Challenge in August, or contact The Woodlands Township Environmental Services Department at 281-210-3800 if you want more information.

The Water-Wise Village Challenge Winners are announced in May each year.
