

Learn how to Make the of Most your Landscape

Woodlands Landscaping Solutions

Saturday, September 29th

9:00 a.m. - noon

Recreation Center at Rob Fleming Park

The Woodlands Township Environmental Services
Department thanks our partners that help make this
event possible.

Learn

At over 30 booths with area **gardening experts** and organizations. Bring your questions and take away some inspiration. Take a **class** in composting.

Shop

From our favorite garden and backyard retailers. Take home some **plants** for your fall garden, or garden-themed **gifts** for the special gardeners in your life.

See

A **presentation** by Mark Morgenstern from Morning Star Prairie Plants. Find out how **native plants** can really add to your landscape and support our wildlife.
