- Meals on Wheels has coordinated a food drive to stock the shelves. A system in place to deliver supplies to the most at-risk neighbors, but they need your help to provide the food... because no one deserves to have an empty pantry, especially at times like this. During these times of uncertainty, food insecurity is at an all-time high. An increasing number of seniors are becoming homebound, as the fear of going out and being exposed to COVID-19 continues. Join the virtual food drive.
- Community Assistance Center Serving Montgomery County is currently providing assistance to residents of Montgomery County with financial assistance for utilities, pre-packaged bags of groceries during Wednesday Markets and is accepting donations.
