

# Assembling Your Compost Bin

**Parts List**

- ◆ 4 spirals
- ◆ 4 panels

**Completed Bin**

- ⇒ Stand two panels in an upright position with longer edge on the ground
- ⇒ Hold securely to keep edges even
- ⇒ Twist one spiral downward along one vertical edge, section by section, until panels are securely bound together
- ⇒ Stand a third panel even with the first two, keeping all edges even
- ⇒ Twist a second spiral downward, along the other vertical edge securing the third panel
- ⇒ Repeat until four panels and four spirals are in place
- ⇒ Pull on all four sides to open the bin
- ⇒ Place the bin in the location of your choice

***Ready to Compost!***

***Add 'green stuff' and 'brown stuff'!***
