Strategic Planning sessions will be scheduled as deemed appropriate.

<sup>1</sup>At the March 30, 2022 Board meeting, the Board established a Budget Meeting schedule that does not allow for a proposed tax rate that would exceed the voter-approval rate (previously rollback rate). The Board is scheduled to vote on a proposed tax rate on Thursday, September 8, 2022. If the Board approves a proposed rate that is equal to or lower than the no-new-revenue rate (previously effective rate), no public hearing is required. The Board can adopt the 2022 budget and 2021 tax rate at its regular meeting scheduled on September 22, 2022. If the Board approves a proposed tax rate that exceeds the no-new-revenue rate (previously effective rate) but is lower than the voter-approval rate (previously rollback rate), a public hearing is required, which is the purpose of the 6:00 p.m. meeting on September 8. The Board would adopt the 2022 budget and 2021 tax rate at its regular meeting scheduled for 6:00 p.m. on September 22, immediately after the public hearing.

<sup>2</sup>A meeting is scheduled for Friday, November 18, 2022 at 4 p.m. This meeting will include regular business; however, at the end of the meeting the Board will canvass election results from the November 8, 2022 election. In November, the Board must canvass election results within the 3<sup>rd</sup> to 14<sup>th</sup> day after the election, making the canvass period from November 16-21, 2022. If canvassing numbers are not available for the November 18 meeting, a special meeting will be called for this purpose prior to the deadline to canvass the results. The new Board will be seated and elect officers at a consolidated November Board meeting on Wednesday, November 30 at 6 p.m.
