

Bee Safety in The Woodlands

Do's:

- DO know [Bee Sting Safety](#).
- DO keep children and pets away from a swarm or hive.
- If the swarm is on your property, DO call a professional bee removal service immediately.
- If bees are in a park, on a pathway or at a public area, DO call the Parks and Recreation Department at 281-210-3800.

Don'ts:

- DON'T approach a swarm or hive.
- DON'T throw things at a swarm or hive or otherwise disturb the bees.
- DON'T spray water or any liquid at the swarm or spray pesticides on stray bees.
- DON'T try to kill bees with fire or gasoline.
- DON'T attempt to remove the swarm or hive yourself.
