Waiver and Release of Liability: Covenants and Easements

Improvements, including but not limited to swimming pools, associated walls, decking, spas, room additions, and summer kitchens may not be located within a covenant easement, additional easement, or beyond a platted building line. Any improvement constructed within an easement without the consent of the easement holder is subject to removal by that easement holder. Any action by the Plan Review Committees as established in the Residential Development Standards, only applies to the Covenant Easements. The owner must contact the additional entities for approval within an easement. Placement of the improvements is at the owner's risk. ALL EASEMENTS, including but not limited to Covenants and Center Point Energy Easements must be verified and reflected on application materials, which includes but is not limited to surveys. Any improvements must comply with all Covenants and Easements.
