

The Woodlands Township

Request for Proposals The Woodlands Express Service Operations Contract No. C-2024-0316

Addendum #2

April 23, 2024

Note: This Addendum must be included as part of the proposal documents.

Included in this addendum:

- a. Scope Addition in SECTION TWO: Description of the operations services being proposed to meet the Scope of Work.

The Township would like to request as a part of a Proposal's Section 2, Description of the Operation Services, for the Proposer to also review the current schedule of The Woodlands Express and provide an estimated number of annual revenue hours for their firm to perform the service. The Township has provided an estimated number of annual revenue hours, but the Township would like each Proposer to provide their individual estimate of hours and provide any ideas on route or scheduling efficiencies that will be utilized as part of the contract. Please include this information in Section Two of the Proposal submission.

This Addendum must be Signed & Returned with your submittal.
