

## The Woodlands Township

### **Invitation For Bid Trolley Stop Renovation and Pole Relocation Contract No. C-2023-0068**

#### **Addendum #1**

April 5, 2023

**Note: This Addendum must be included as part of the proposal documents.**

Included in this addendum:

Question Received via email on 4/2/2023

**Question:** We would like to start the project sooner if we were awarded, but our plate is already full for the summer and we don't have additional staff to man your project until September...we would like to make it work for both of us if possible.

**Answer:** The Township is flexible with the project start date of this project as long as the full project can be completed and all invoices processed by December 31, 2023.

**This Addendum must be Signed & Returned with your submittal.**
