

## **The Woodlands Township**

---

**Invitation For Bid  
Construction of Trolley Stops  
Contract No. C-2022-0482**

### **Addendum #3**

February 13, 2023

**Note: This Addendum must be included as part of the proposal documents.**

**Questions from Open Questions period:**

1. *Q. In General Specifications and Acknowledgement  
Item 10 (Contractor's Responsibilities)  
Contractor is responsible for locating all utilities.*

*We have located utilities at the Trolley stop by Market Street and there is a cable box pertaining to what looks like communication lines that would need to be moved.  
Who is responsible for relocating?*

- A. It is the responsibility of the contractor to contact and work with the cable company who owns that cable box to relocate it out of the immediate area of the trolley stop.

**This Addendum must be Signed & Returned with your submittal.**
